provided by Georgia law. By resolution of City Council it has requested and authorized the Bryan County Assessor to receive enrollment applications and grant property tax exemptions for the City of Richmond Hill. In such case, the fourth quarterly installment will be the annual tax amount, based on the current year's assessment, less installments paid for the first three quarters. When any person liable hereunder fails to make a return or pay the full amount of the required tax, a penalty shall be added to the tax in the amount of \$5.00 or five percent, whichever is greater, if the failure is for not more than 30 days. An additional penalty of five percent or \$5.00, whichever is greater, shall be charged for each additional 30 days or portion thereof during which the failure continues. In the case of a false or fraudulent return or the failure to file a return, where willful intent exists to defraud the City of any tax due herein, a specific penalty of fifty percent of the tax due shall be assessed. All penalties and interest imposed herein shall be payable and collectible by the Finance Department in the manner as if they were a part of the tax imposed.

Section 11. STORMWATER UTILITY FEES

(A) Stormwater Utility Customer Classes

- (a) The Stormwater Utility shall establish specified customer classes within the service area to reflect difference in impervious surface and stormwater runoff characteristics; stormwater management program services provided by the City to the Stormwater Utility customers; and the respective demand that those customers' properties place on the City stormwater management program and drainage system components. All publicly owned developed properties, other than streets or roads, are subject to the user fee charges on the same basis as private properties. The Stormwater Utility classes will encompass all developed and undeveloped properties within the City and are defined as follows:
 - (1) The Single Family Residential (SFR) Class shall consist of all developed properties classified as SFR customers per the applicable definition.
 - (2) The Non-Single Family Residential (NSFR) Class shall consist of all developed properties classified as NSFR customers per the applicable definition.
 - (3) The Undeveloped Class shall consist of properties classified as undeveloped per the applicable definition.
- (b) Documentation pertaining to the Stormwater Utility customer classes shall be kept on file in the office of the Stormwater Utility Manager for public inspection.

(B) Stormwater User Fee Charges

- (a) It shall be the policy of the City that user fee charges for stormwater management services to be provided by the Stormwater Utility in the designated service area shall be equitably derived through methods which have a demonstrable relationship to the varied demands and impacts imposed on the stormwater management services by individual properties and/or the level of service rendered by, or resulting from, the provision of stormwater management services by the City.
- (b) The basis for calculation of the stormwater user fee charge for developed properties within the City is established in this Ordinance. The City shall assign or determine the customer class, amount of impervious area and other pertinent factors as may be needed for the fair, reasonable and equitable allocation of the costs to deliver stormwater management services and to calculate the stormwater user fee charges for developed properties in the City.
- (c) Stormwater user fee charge rates shall be structured so as to be uniform within the customer class, and the resultant user fee charges shall bear a reasonable connection, or rational nexus, to the cost of providing stormwater management services. User fee charge rates shall be in addition to other rates, charges, or fees employed for stormwater management within the incorporated areas of the City as defined herein.
- (d) To the extent practicable, credits against stormwater user fee charges shall be provided for on-site stormwater control systems and activities constructed, operated, maintained and performed to the City's standards by public and private property owners and/or tenants which eliminate, mitigate or compensate for the impact that the property or person may have upon stormwater runoff discharged to public stormwater management systems and facilities which impact the proper function of public stormwater management systems and facilities.
- (e) The stormwater user fee charges shall accrue beginning February 15, 2016 and be billed in arrears each month to customers.

(C) Stormwater User Fee Charge Billing Rates

- (a) The Stormwater Utility shall impose a stormwater user fee charge on all developed properties within the service area in accordance with the provisions of this Ordinance. The Stormwater Utility shall apportion the cost of delivering stormwater services to all developed properties based on the demand the property places on the City's stormwater management program, the stormwater services provided by the City and the benefits derived by the property as a result of the provision of services.
- (b) The Mayor and City Council shall establish by resolution the stormwater user fee charge rates, and the billing rates may be modified by the Mayor and City Council from time to time to meet the financial and operational needs of the Richmond Hill Stormwater Utility. A current schedule of said rates shall be on file in the office of the City Clerk of Richmond Hill. In setting or modifying such rates, it shall be the goal of the City to establish rates that are fair, equitable

and reasonable, and which, together with other funding sources available to the Richmond Hill Stormwater Utility for services, systems, and/or facilities related to stormwater management are sufficient to support the cost of the stormwater management program, including, but not limited to, the payment of principal and interest on debt obligations, lease payments, operating expenses, capital outlays, non-operating expenses, provisions for prudent reserves and other Stormwater Utility related costs as deemed appropriate by the City.

- (c) Stormwater user fee charges shall be based upon the total number of Equivalent Residential Units (ERUs) associated with developed properties within the City. Each ERU shall correspond to 3,300 square feet of impervious surface.
- (d) Gravel and compacted soil driveways, parking areas, and roads on developed property will be considered partial impervious surface and included in the customer's ERU calculation because of the hydrologic response characteristics of these materials. However, the total surface area associated with these materials will be calculated at 90% of the total ERUs to reflect the hydrologic response characteristics of these materials.
- (e) Calculation of User Fee Charges. The periodic stormwater user fee charges imposed on all developed properties shall be calculated by multiplying the stormwater user fee billing rate (per ERU) times the number of ERUs for each customer account. The number of ERUs that will be utilized to calculate the user fee charge for each customer account shall be in general accordance with the following:
 - (1) SFR Customer Class: Each SFR customer account shall be charged 1.0 ERU per month unless the conditions outlines below applies.
 - i. If two customer accounts are assigned to a SFR property (i.e. a duplex) then each customer account on that parcel will be charged 0.5 ERU per month for billing purposes.
 - (2) NSFR Customer Class: Each NSFR customer shall be charged 1.0 ERU for each 3,300 square feet, or increment thereof, of impervious surface located on the property to establish the total number of ERUs for billing. Fractional ERUs will be rounded to one decimal place to establish the number of ERUs for billing each month.
 - (3) Undeveloped Land Customer Class: Undeveloped land shall be assigned 0 ERUs and will not receive a stormwater user fee bill.

(D) Stormwater User Fee Charge Exemptions

- (a) Except as provided in this section or otherwise provided by law, no developed public or private property located in the incorporated area of the City, containing more than 500 square feet of impervious surface, shall be exempt from the stormwater user fee charges. Publicly owned developed property of the Federal and State governments, their departments, agencies, boards, commissions, and

authorities, shall not be exempt from stormwater user fee charges under this article. The Stormwater Utility user fee charge is not a tax and no exception, credit, offset, or other reduction in stormwater user fee charges shall be granted based on age, tax status, economic status, race, religion, disability, or other condition unrelated to the Stormwater Utility's cost of providing stormwater management program services and facilities.

(b) Exemptions to the Stormwater user fee charges are as follows:

- (1) Parcels which contain 500 square feet, or less, of impervious surfaces or partial impervious surfaces shall be exempt from stormwater user fee charges.
- (2) Linear railroad rights-of-way (i.e. tracks, rails, rail bed) outside of the defined rail yard limits shall be exempt from stormwater user fee charges. This exemption is in recognition of routine drainage system maintenance and capital construction activities undertaken by the rail road company associated with rail road company associated with rights-of-way and drainage conveyance systems. However, railroad stations, rail yards, maintenance buildings and/or other improved property used for railroad operations shall not be exempt from stormwater user fee charges.
- (3) City of Richmond Hill streets and rights-of-way shall be exempt from stormwater user fee charges. The Stormwater Utility shall not charge the City a user fee charge for the impervious surface associated with City's streets and other impervious surfaces within the rights-of-way of the City's municipal street system. This exemption is granted in consideration of the City allowing the Stormwater Utility to utilize the City's existing streets, curbs, gutters, drainage ways and ditches, storm sewers, culverts, inlets, catch basins, pipes, head walls and other structures, natural and man-made, within and owned by the City which controls, diverts, and conveys surface water for the purposes of collecting, diverting, transporting, and controlling surface runoff and storm waters. All other developed property owned by the City shall be subject to the imposition of stormwater user fee charges in accordance with this article.
- (4) Bryan County roads and rights-of-way on the County Road System located within the City limits shall be exempt from stormwater user fee charges inasmuch as Bryan County has legal responsibility to perform all drainage system maintenance and capital construction activities with respect to such roads and rights of way. This exemption is in recognition of the drainage system maintenance and capital construction responsibilities undertaken by Bryan County. All other developed property owned by Bryan County that is within the service area shall be subject to the imposition of stormwater user fee charges in accordance with this Ordinance.
- (5) Georgia Department of Transportation (GDOT) highways, Federal Interstates, and rights-of-way on the State Highway System within the City limits shall be exempt from stormwater user fee charges. This exemption is in recognition of routine drainage system maintenance, NPDES regulatory compliance, and capital construction activities undertaken by GDOT in association with GDOT

rights-of-way road and drainage conveyance systems. However, offices, maintenance buildings, and/or other developed property used for GDOT purposes shall not be exempt from stormwater user fee charges.

The Stormwater Utility Manager may revoke a credit at any time for noncompliance with applicable standards and criteria as established in the Credit Manual or this Article.

- (1) Stormwater user fee charges shall begin to accrue April 1, 2016, and shall be billed in arrears on the customer's monthly public utility bill thereafter beginning in the April 2016 billing cycle.
 - (2) The stormwater user fee charge will be billed and collected on a combined utility bill and collected along with other City utility services. If and when the account is closed or becomes delinquent, the bills for unpaid previous service as well as for current and future service shall be reverted to the property owner.
 - (3) Customers that do not have another utility service shall receive a utility bill with stormwater user fees only or shall be billed via another method and frequency established by the City.
 - (4) The City reserves the right to bill the stormwater user fee charge to either the property owner or the utility customer account holder (i.e. the tenant) as described herein.
 - i. The City shall reserve the right to bill the landlord or property owner for stormwater services where accurate and equitable apportionment of the user fee charges to multiple tenant accounts on a parcel is not practical as determined by the City, and/or to facilitate efficient billing and collection of customer stormwater use fee charges from multiple tenants.
 - ii. The City shall have the authority to bill the property owner's tenant for the stormwater user fee charge in situations where the tenant has opened an account with the City for public utility services, however, the property owner shall remain ultimately liable for payment of the stormwater user fee charges imposed on the property and the utility accounts associated with that property.
 - iii. In situations where an individual utility account holder is billed monthly for utility services on behalf of a property owner, the City may require that the landlord or property owner enter into an agreement with the City to remit payment for any unpaid stormwater user fee charges that are incurred during the City's fiscal year.
 - (5) Frequency of the billing of stormwater user fee charges shall be specified by the Mayor and City Council.

- (6) Failure of the customer to receive a utility bill or a stormwater user fee charge shall not be justification for nonpayment. Regardless of the party to whom the bill is initially directed, the property owner of each developed property subject to stormwater user fee charges shall be ultimately obligated to pay stormwater user fee charges and any interest on delinquent stormwater user fee charge payments.
- (7) If a property is unbilled, or if no bill is sent for a particular tract of developed property, the Stormwater Utility may back bill for a period of up to three (3) years, but shall not be entitled to any interest or any delinquency charges during the back billed period.

(b) Delinquencies and Collections.

- (1) The Stormwater Utility user fee charge shall be billed and collected as an integral party of the City's billing for other utility services and the customer may not elect to separate such fee from the remainder of the utility bill for nonpayment. If the customer fails to include payment of the Stormwater Utility user fee charge portion of the utility bill when the utility bill is paid, or otherwise separates the Stormwater Utility user fee charge from the remainder of the bill for nonpayment, the entire billing will be in default notwithstanding any other payment made towards the bill, and, in addition to all other remedies which the City may have for nonpayment, any or all other utility services, including water service, may be terminated on the date printed on the bill in accordance with the procedures established in the City Code of Ordinances for such termination. Acceptance and retention by the City of any portion of the utility bill shall not constitute a waiver of the foregoing provisions.
- (2) All bills not paid by the due date are subject to the late payment charge in accordance with City policy for other utilities. In addition, all costs of collection, including attorney's fees and court costs, will be added.
- (3) Unpaid stormwater service fees may also be collected by filing suit to collect on an unpaid account and by using all methods allowed by Georgia law to collect on any civil judgment obtained thereby, including enforcement of any lien resulting from any such judgment. Unless reduced to a judgment and a *writ of fieri facias* issued, the unpaid user fee charge shall not constitute a direct lien against the owner or the property.
- (4) In the event of non-payment and service cut-off, the customer must pay the bill in full, the late payment charge, a cut-off charge if applicable, and pay a new application fee if it was waived, used to make the payment, late payment charge, and/or the cut-off charge. The City Manager is authorized to work out a payment plan for customers that demonstrate the ability to pay. Such a payment plan can only be entered into once in a 12-month period. Failure to meet any payment date of a payment plan shall terminate the payment plan, and the City reserves the right to discontinue utility services to that customer account.

- (c) Adjustments. The Stormwater Utility Manager shall administer the procedures and standards for the adjustment of the stormwater user fee charge.
- (1) If a customer believes his stormwater user fee charge amount is incorrect, the customer may seek an adjustment of the stormwater user fee charge for the account at any time by submitting the request in writing to the Stormwater Utility Manager and setting forth in detail the grounds upon which relief is sought. The customer's public utility account must be paid and current prior to consideration of an adjustment request by the city.
 - (2) Customers requesting the adjustment shall be required, at their own expense, to provide accurate impervious area and other supplemental information to the Stormwater Utility Manager, including, but not limited to, a survey certified by a registered land surveyor or a professional engineer or as otherwise allowed by the Stormwater Utility Manager. Submittal of this information will be required if the City staff cannot make a determination based on field inspection and/or review of existing City aerial photography. Failure to provide the required information within the time limits established by the Stormwater Utility Manager, as may be reasonably extended, may result in denial of the customer's adjustment request.
 - (3) Once a completed adjustment request and all required information are received by the Stormwater Utility Manager, the Stormwater Utility Manager shall within 30 calendar days render a written decision.
 - (4) In considering an adjustment request, the Stormwater Utility Manager shall consider whether the calculation of the stormwater user fee charge for the account is correct.

ARTICLE N. BUSINESS TAX

Section 1. LEVY OF BUSINESS TAX

Each person engaged in any business, occupation, or profession in the City of Richmond Hill, whether from a fixed location in the City or as an out-of-state business with no location in Georgia but which exerts substantial efforts within the state and in the City of Richmond Hill pursuant to O.C.G.A. §48-13-7, shall pay to the City a business tax according to the provisions of this Article.

Section 2. PURPOSE AND SCOPE OF TAX

The business tax levied herein is for revenue purposes only and is not for regulatory purposes. The business tax applies only to businesses and occupations which are covered by the provisions of O.C.G.A. §48-13-5 through §48-13-26. Other applicable businesses and occupations are subject to City taxes pursuant to pertinent general law and/or City ordinance.

Section 3. DEFINITIONS

In addition to the definitions in Article A, Section 2, of this Ordinance, the following words and terms shall have the meanings shown below when used in this Article:

(A) Business. Any person, corporation, partnership, or other legal entity which exerts substantial efforts within Richmond Hill, engages in, causes to be engaged in, and/or represents or holds out to the public to be engaged in any occupation or activity with the object of gain or benefit, either directly or indirectly.

(B) Business Tax. A tax levied for revenue raising purposes on persons, firms,

partnerships, corporations, and other entities for engaging in a business, occupation, or profession.

(C) Base Tax. The *base tax* is a flat-fee component of the business tax. This flat fee component is the same amount for all businesses which are taxed on the basis of gross receipts and is included in the amounts shown in the Business Tax Schedule set forth in Section 5 of this Article.

(D) Regulatory Fee. A *regulatory fee*, as provided under O.C.G.A. §48-13-9, is any payment to the City, whether designated as a license fee, permit fee, or by another name, which the City requires as an exercise of its police power and as a part of or an aid to regulation of a business, occupation, or profession. The amount of a regulatory fee shall approximate the reasonable cost of the actual regulatory activity performed by the City. Businesses subject to regulatory fees are identified in Section 31 of this Article, entitled *Regulatory Fees*. A regulatory fee may not include an administrative fee. Development impact fees as defined by O.C.G.A. §36-71-2(8), or other costs of zoning or land development are not regulatory fees.

(E) Business Tax Certificate. A *business tax certificate* is the document issued by the Tax Clerk's Office to a business, occupation, or profession that gives evidence of compliance with the requirements of this Article and payment of a business tax for the year. The certificate shows name and address of the business, business type, and other pertinent information, but not the amount of tax paid.

(F) Gross Receipts

(1) Inclusions. *Gross receipts* means the total revenue of the business or practitioner for the period, including but not limited to the following:

- (a) Total income produced from within the State of Georgia, whether produced from inside or outside the City, unless the business or practitioner has already paid a business or occupation tax on the income produced outside the City;
- (b) Total income without deduction for cost of goods or expenses incurred;
- (c) Gain from trading in stocks, bonds, capital assets, or instruments of indebtedness;
- (d) Proceeds from commissions on the sale of property, goods or services;

- (f) Proceeds from rent, interest, royalty, or dividend income

(2) Exclusions. Gross receipts shall *not* include the following:

- (b) Sales returns, allowances, and discounts;
- (c) Proceeds from sales to customers outside the State of Georgia;
- (d) Payments made to a subcontractor or an independent agent;
- (e) Gross income on alcoholic beverage sales covered by alcohol license;
- (f) Inter-organizational sales or transfers between or among the units of a parent-subsidiary controlled group of corporations as defined by 26 U.S.C. §1563(a)(1), or between or among the units of a brother-sister controlled group of corporations as defined by 26 U.S.C. §1563(a)(2), or between or among wholly owned partnerships or other wholly

owned entities;

(g) Governmental and foundation grants, charitable contributions, or the interest income derived from such funds received by a nonprofit organization which employs salaried practitioners otherwise covered by this Ordinance, if such funds constitute 80 percent or more of the organization's receipts.

(G) Business Location or Office. The physical location of a business. Location or office shall include any structure or vehicle where a business, profession, or occupation is conducted, but shall not include a temporary or construction work site which serves a single customer or project, nor a vehicle used for sales or delivery by a business or practitioner of a profession. A temporary work site which serves multiple customers is included in this definition, and any business operating at such location is subject to the requirements of this Article.

(H) Dominant Business Activity. The activity which is the major source of income of a business that conducts multiple activities. Such dominant business activity represents the largest percentage of business revenues but may not represent a majority of revenues. Businesses are classified according to dominant business activity.

(I) Practitioner of Profession or Occupation. A person who is licensed and regulated by the State of Georgia for engaging in a profession or occupation. For purposes of this Article, practitioners of a profession or occupation shall not include a practitioner who on an annual basis is an employee of a business and the business pays a business tax pursuant to this Article. Nothing in this Article shall be construed or interpreted as limiting or regulating the practice of any such practitioner of a profession who is licensed and regulated by the State of Georgia, nor as subjecting any such practitioner of a profession to any criminal sanction.

Section 4. BUSINESS TAX FEE STRUCTURE

(A) Base Tax. A non-prorated, non-refundable *flat-tax* component of the business tax, as provided in the Business Tax Schedule, Section 5 of this Article, shall be required on all general business tax accounts. Such base tax shall be included in the business tax amounts shown in the Business Tax Schedule.

(B) Business Tax

(1) A *business tax* shall be levied upon those businesses with one or more locations or offices in the corporate limits of the City and upon the applicable out-of-state businesses with no location or office in Georgia pursuant to O.C.G.A. §48-13-7. The six profitability ratio / tax classes are incorporated into the Business Tax Rate Schedule based on gross receipts shown in Section 5 below.

(C) Business Tax on Professions. Each person engaged in the practice of a profession as described in O.C.G.A. §48-13-9(c)(1) through (18); each attorney; physician; osteopath; chiropractor; podiatrist; dentist; optometrist; psychologist; veterinarian; landscape architect; land surveyor; physiotherapist; public accountant; embalmer; funeral director; civil, mechanical, hydraulic, or electrical engineer; architect; marriage and family therapist, social worker, and professional counselor practicing such profession, whether individually or as a member or

(1) The business tax based on gross receipts combined with profitability ratios as set forth in paragraph B of this Section 3.

(2) A fee of \$400 per practitioner licensed by the State, such tax to be paid only at the practitioner's principal office or location. A practitioner paying a fee according to this paragraph shall not be required to provide information to the City relating to gross receipts of the business or practitioner. No business tax on professions shall be assessed or collected from any practitioner of a profession whose office is maintained by and who is employed in practice exclusively by the United States, the State of Georgia, a municipality or county of the State, or instrumentalities thereof. This tax on professions is for revenue purposes only, and nothing herein shall be construed or interpreted as limiting or regulating the practice of any such practitioner of a profession who is licensed and regulated by the State of Georgia, nor as subjecting any such practitioner of a profession to any criminal sanction.

Section 5. BUSINESS TAX SCHEDULE

There will be an annual non-refundable administrative fee of \$50.00. The Occupational Business Tax is based on the Total Gross Receipts of the business in combination with the Profitability Ratio.

The Base Rate on Gross Receipts ranging from 0 to \$50,000 = \$50.00.

Gross receipts exceeding \$50,000 should be calculated according to the table shown below:

<u>Profitability Ratio/ Tax Class</u>	<u>Tax Rate on Gross Receipts</u>
Class A	0.00050
Class B	0.00060
Class C	0.00070
Class D	0.00080
Class E	0.00090
Class F	0.00100

Section 6. BUSINESS TAX RESTRICTIONS; REAL ESTATE BROKERS AND AGENTS

(A) Restrictions

(1) No business or practitioner shall be required to pay more than one business tax for each of its locations.

(2) No business tax will be required upon more than 100 percent of a business's gross receipts.

(3) No business tax will be required on receipts on which such tax has been levied in other localities or states.

(B) Real Estate Brokers and Agents. A business tax *shall be* required from real

estate brokers and agents whose offices are located outside the City of Richmond Hill and who sell property inside the City (O.C.G.A. §48-13-17). Any broker or agent who does business in more than one taxing jurisdiction shall allocate revenues among all such jurisdictions which levy a gross receipts tax. If any such jurisdiction does not levy a business tax based on gross receipts, then the gross receipts which would otherwise be allocable to such jurisdiction shall be allocated to the jurisdiction in which the business is physically located. Each real estate sales agent is considered to be an independent agent and is liable for a business tax. Income generated by any such agent filing a separate return may be excluded from the broker's return pursuant to Section 3 (F)(b)(iii) of this Article. A real estate brokerage firm may, however, elect to include sales commissions generated by such agents in its gross income, in which case (a) the broker must list all agents whose revenues are included in its return, and (b) such agents are not required to file a return and pay a tax.

Section 7. BUSINESS TAX CERTIFICATE REQUIRED; FEE FOR DUPLICATE

No person shall conduct business from a location within the City without first registering with the Tax Clerk's Office. Each location shall be considered a separate business for purposes of this Article. Upon payment by the business of required business tax, the Tax Clerk shall issue a business tax certificate to the business. There shall be a \$15.00 fee to defray the cost of issuing a duplicate business tax certificate. The business owner shall display such business tax certificate in a conspicuous place within the business premises, if the taxpayer has a permanent business location in Richmond Hill. If the taxpayer has no permanent business location in Richmond Hill, such business tax certificate shall be kept on the person or within the vehicle of the registered business. Any business tax certificate shall be shown upon demand to any authorized employee of the Finance Department, Police Department, or other City Department engaged in performing its authorized function. Any person who fails or refuses to show a business tax certificate upon demand of any authorized City employee shall be in violation of this Article. Any business which is registered with the City and pays a business tax based on gross receipts in combination with profitability ratios shall be permitted to conduct its same business activities from a temporary site (a) during recognized public festivals and (b) with a group of registered dealers in a "show" arrangement, provided that any such temporary site shall meet all City zoning and building code requirements as evidenced by a *Certificate of Occupancy* issued by the City Inspections Department. This provision shall not apply to alcoholic beverage dealers (Richmond Hill Code Section 6), nor to any other business regulated by the City.

Section 8. BUSINESS TAX; PROCEDURES

(A) Return to be filed. All business taxes levied under this Article (except for professionals electing to pay a flat fee) are levied on the gross receipts of the current calendar year. Each business required by the State to hold a State sales tax identification number shall provide such number to the City.

(B) Operation for part of preceding year. Where a business has been in

operation for only a part of the preceding year, the amount of gross receipts for such part shall be reported. The application shall also show a figure putting the receipts for such part of a year on an annual basis with the part-year receipts bearing the same ratio to the whole-year receipts as the part year bears to the whole year. Said figure shall be the estimate of gross receipts of the business for the current calendar year in establishing the business tax liability.

(C) New business. In the case of a new business which did not operate for any period of time within the City during the preceding year, the owner or other person liable for business tax shall estimate on an application form the gross receipts bracket representing revenues from the date business is to begin within the City to the end of the calendar year. Business tax on such estimate shall be paid before business activities begin.

(D) Payment of tax. Based on the gross receipts bracket identified on the above described return, the tax clerk shall determine the business tax after the application is submitted, based on the profitability class from the Business Tax Schedule provided by the City. Such business shall submit payment of the business tax upon receipt of the invoice prepared by the tax clerk by the due date prescribed by this Article.

(E) Underpayment of tax. If the amount of business tax paid for the preceding year based on the prior year's estimate is less than the amount of business tax due for the preceding year based on gross receipts reported on the current year's application, the difference shall be due and payable. The Tax Clerk's Office will calculate the additional tax due for the preceding year, using the tax rate for that year, and will issue a bill for that amount; provided, however, that in consideration of the costs of billing and collecting, no amount less than \$10 shall be billed. Any billed amount shall be due and payable within 30 days of the date rendered.

Section 9. DURATION OF BUSINESS TAX CERTIFICATE

Each business tax certificate shall be for the calendar year, or the remaining portion thereof. Such certificate shall expire on December 31 of the year of issuance; provided, however, that a registered business may continue to operate on its previous year's expired certificate until the due date for renewal.

Section 10. DUE DATE

Business taxes, and any applicable regulatory fees shall be due and payable in full to the Tax Clerk's Office as of January 1 of each year and shall, if not paid by March 31 of each year, be subject to delinquency penalties as prescribed in this Article. On any new business or profession begun in the City during the year, the tax shall be delinquent if not paid prior to beginning business within the City.

Section 11. DELINQUENCY FEES

Where registration and payment of business tax is past due and unpaid, a delinquency fee of ten percent of the amount due, and 1% per month interest

shall be imposed from the due date. Any business which fails to register and pay a business tax before engaging in business within the City shall be considered delinquent and shall be subject to delinquency fees and interest charges, and other penalties provided herein. Delinquency fees for alcoholic beverage licenses shall be charged as provided by the *Alcoholic Beverage Licenses* section of this Article.

Section 12. PENALTY FOR VIOLATION; COLLECTION BY CIVIL ACTION

(A) Business Tax. If any person, other than a practitioner of a profession as defined in Section 3, paragraph (i) of this Article, transacts or offers to transact business within the City without first having registered and paid the business tax, or if any such person transacts or offers to transact business within the City after said tax becomes delinquent, such offender shall, upon conviction in the Recorder's Court of Bryan County, be subject to the general penalty as provided by the Richmond Hill Code, Section 22-60. *Nothing herein shall be construed or interpreted as subjecting any practitioner of a profession who is licensed and regulated by the State of Georgia to any criminal sanction whatsoever, nor in any way limiting or regulating the practice of any such practitioner of a profession.*

(B) Regulatory Fee. If any person, other than a practitioner of a profession as defined in Section 3, paragraph (i) of this Article, transacts or offers to transact business within the City without first having registered and paid a regulatory fee when required by this Article, or if any such person transacts or offers to transact business within the City after said regulatory fee becomes delinquent, such offender shall, upon conviction in the Recorder's Court of Bryan County, be subject to the general penalty as provided by the Richmond Hill Code, Section 1-1013. *Nothing herein shall be construed or interpreted as levying a regulatory fee on or applying any criminal sanction to any practitioner of a profession who is licensed and regulated by the State of Georgia, nor in any way limiting or regulating the practice of any such practitioner of a profession.*

(C) Collection by Civil Action. The Finance Director may proceed to collect any business tax or regulatory fee levied under this Article in the same manner as provided by law for tax executions, and may use other civil proceedings to enforce payment.

Section 13. BUSINESS TAX ON BUSINESS WITH NO LOCATION IN GEORGIA

A business tax is hereby imposed on those businesses and practitioners of professions with no location or office in the State of Georgia if the business's largest dollar volume of business in Georgia is in the City of Richmond Hill *and* the business or practitioner:

- (1) pursuant to O.C.G.A. §48-13-7, has one or more employees or agents who exert substantial efforts within the City for the purpose of soliciting business or serving customers or clients; or
- (2) owns personal or real property which generates income and which is located within the City.

Out-of-state businesses with no location in Georgia shall be assessed business

taxes based on the gross receipts of the business as defined in O.C.G.A. §48-13- which are reasonably attributed to sales or services in the state of Georgia.

Section 14. ALLOCATION OF GROSS RECEIPTS OF BUSINESS WITH MULTIPLE INTRA- OR INTERSTATE LOCATIONS

For those businesses that have multiple locations inside and outside of the City where the gross receipts can be allocated to each location, the gross receipts used to determine the business tax assessed will be those gross receipts attributed to each location within the City. Where the dollar amount of gross receipts attributed locally cannot be determined in those businesses with multiple locations, the total gross receipts will be divided by the total number of locations in the City and elsewhere and allotted in an equal percentage of the total gross receipts to each of those locations. Upon request, the business or practitioner with a location or office situated in more than one jurisdiction shall provide to the Revenue Department the following:

- (1) financial information necessary to allocate the gross receipts of the business or practitioner; and
- (2) information relating to the allocation of the business's or practitioner's gross receipts by other local governments.

Where the business has locations outside of the City and taxation is levied for a criteria other than gross receipts in the other local governments, the City shall not tax more than the allotted share of gross receipts for the local operation.

Section 15. EXEMPTION FOR NON-PROFIT ORGANIZATIONS

Pursuant to O.C.G.A. 48-13-13 (a)(5), as amended by H.B. 175, no business tax or regulatory fee is levied on any nonprofit organization operating within the City. A nonprofit organization is defined as an organization which is classified as non-profit by the Federal Internal Revenue Service and is exempt from Federal income taxes under Internal Revenue Service regulations. The Tax Clerk's Office may require evidence of tax exempt status before exemption is granted. Exemption from registration and payment of business tax and regulatory fee does not exempt any such business from compliance with the City's zoning, building code, and other regulations.

Section 16. VETERAN'S CERTIFICATE OF EXEMPTION

Each person operating a business in the City of Richmond Hill under a Veteran's Certificate of Exemption issued by the State of Georgia, Department of Veterans Service shall before conducting such business file with the Finance Department an application for a free business tax certificate on a form furnished by the Revenue Department. Such application shall provide the name of the veteran, location of the proposed business, and other pertinent information about the operations of such business. An application for a free business tax certificate shall be subject to the same conditions for approval as regular business tax certificate. No person other than the applicant may be employed by such business.

Section 17. VOCATIONAL REHABILITATION EXEMPTION

Each person operating a business in the City of Richmond Hill as a client of the State Department of Education, Division of Vocational Rehabilitation, after being certified by such agency, shall before conducting business file an application for a free business tax certificate with the Tax Clerk on a form furnished by the Clerk's Office. Such application shall provide the name of the client, location of the proposed business, and other pertinent information regarding the operation of such business. Such application for a free business tax certificate shall be subject to the same conditions for approval as regular business tax certificate. No person other than the applicant may be employed by such business.

Section 18. EVIDENCE OF STATE LICENSING REQUIRED IF APPLICABLE

Each person who is required to be licensed by the State of Georgia pursuant to O.C.G.A., Title 43, shall provide evidence of proper and current state licensing before any initial City business tax certificate may be issued.

Section 19. EVIDENCE OF QUALIFICATION REQUIRED IF APPLICABLE

Any person required to obtain health permits, bonds, certificates of qualification, certificates of competency, or any other regulatory matter shall first, before the issuance of a City business tax certificate, show evidence that such requirements have been met.

Section 20. BUSINESSES NOT COVERED BY THIS ARTICLE

The following businesses are not covered by the provisions of this Article but may be assessed a business tax or other type of tax pursuant to the provisions of other general laws of the State of Georgia or by local law:

The Tax Clerk may require any business claiming not to be covered by the provisions of this Article to provide specific and detailed evidence showing such non-coverage.

Section 21. BUSINESS TAX INAPPLICABLE WHERE PROHIBITED BY LAW OR PROVIDED FOR PURSUANT TO OTHER EXISTING LAW

A business tax shall not apply to the gross receipts of any part of a business where such levy is prohibited or exempted by the laws of Georgia or of the United States.

Section 22. GROSS RECEIPTS INFORMATION CONFIDENTIAL

Except for judicial or other proceedings necessary to collect the business tax hereby levied, it shall be unlawful for any officer, employee, agent, or clerk of the City, or any other person to divulge or make known in any manner the amount of gross receipts or the gross receipts bracket set forth or disclosed in any business tax return required under this Article, or the amount of business tax paid if based on gross receipts. Gross receipts information shall be confidential and open only to the officials, employees, agents, or clerks of the City using said information for the purpose of this business tax levy and collection of the tax. Independent auditors or bookkeepers employed by the City shall be classed as “employees” and told of this confidentiality requirement. Nothing herein shall be construed to prohibit the publication by City officials of statistics and other business information, classified and presented in such a manner so as to prevent the disclosure of the gross receipts of particular businesses. Nothing herein shall be construed to prohibit inspection of business tax records, including gross receipts information, by duly qualified employees of the tax departments of the State of Georgia, the United States, and other local governments.

Section 23. AUTHORITY TO ENTER BUSINESS

For the purpose of classifying business activity or otherwise administering this Article, the Finance Department through its officers, agents, employees, or representatives shall have authority to enter any business premises at any reasonable time during regular business hours when said business is open to the public, or at another time arranged with the business.

Section 24. ADMINISTRATIVE AND ENFORCEMENT PROVISIONS; AUTHORITY TO REQUIRE FINANCIAL INFORMATION

If at any time the Tax Clerk has reason to believe that the dominant business activity has changed or has been misreported, or that the gross receipts bracket has changed or has been miscalculated or misreported, the Tax Clerk may require the owner, operator, or an officer of such business to submit an affidavit setting forth under oath the dominant business activity and gross receipts bracket determined according to this Article.

The Tax Clerk shall have authority to require any business to provide a copy of the page or section of its Federal and/or State income tax return which shows gross income of the business, and to require that the owner, operator or an

officer of the business certify under oath that such copy is true and correct. Any such required information shall to be limited to that which discloses gross business income and any adjustments made to calculate the gross receipts reported to the City for business tax purposes. The Tax Clerk shall have authority to require any business to provide a statement from a licensed and practicing Public Accountant (who is not an employee of the business), such statement to set forth and certify the gross receipts, or gross receipts bracket, upon which the business tax is based, along with a full and complete explanation of any adjustments to gross receipts. All financial information provided by a business under this section shall be subject to the confidentiality provisions of Section 24 above. Failure to provide such financial information to the Finance Department within thirty days if so requested shall be considered a violation of this Article. If examination of the financial information provided by a business shows that a deficiency occurs as a result of under reporting, such business shall immediately pay the deficiency, plus a penalty of 10 percent of the past due tax amount and interest from the original due date at one percent per month.

Section 25. REGISTRATION FOR BUSINESS NOT COVERED IN SCHEDULE

When for good and sufficient reasons it may become proper to require registration for business tax purposes of any person, whether resident or non-resident, engaging or proposing to engage in business within the City, where such activity is not specifically included in the Listing of Business Types, the Finance Director may establish and implement an appropriate business category and assign the profitability class appropriate for such business category.

Section 26. SUSPENSION AND REVOCATION

No business tax certificate nor regulatory license issued under this ordinance shall be subject to revocation by the Mayor and Councilmembers of the City of Richmond Hill unless or until the registered business has been notified of the intention to revoke the same and said registered business has been afforded an opportunity to be heard as to the proposed grounds for revocation; provided, however, that in case of denial, suspension, or revocation of any alcoholic beverage license, the provisions of the Richmond Hill Code, Section 6 shall apply.

Section 27. ALCOHOLIC BEVERAGE LICENSES

As used in this section, the term "insurer" means a company which is authorized to transact business in the class of insurance designated in subsection 1 of O.C.G.A. 33-3-5.

(B) Loan Protective Live Insurers. For each separate business location not otherwise subject to a license fee hereunder which is operated and maintained by a business organization engaged in the business of lending money or transacting sales involving term financing, and in connection with such loans or sales, offers, solicits, or takes application for insurance through a licensed agent of a life insurer for life insurance, said insurer shall pay a license fee of **\$52.50** for each such location within the City.

(C) Casualty Insurers. There is hereby levied an annual license fee upon each fire, surety, liability, and casualty insurer doing business within the City of Richmond Hill in the amount of **\$150.00**. Pursuant to O.C.G.A. 33-8-8, a license fee of **\$150.00** shall be levied for each separate business location which is

ARTICLE O. AMENDMENT, SEVERABILITY, REPEALER, AND EFFECTIVE DATE

Section 1. SUBSEQUENT AMENDMENT

This ordinance shall be subject to amendment or repeal, in whole or in part, at any time, and no such amendment to repeal shall be construed to deny the right of the City of Richmond Hill to assess, levy, and collect any of the taxes, license fees, or other charges prescribed. The payment of any one tax, license fee, or other charge herein provided shall not be construed as prohibiting the assessment, levy, or collection of additional taxes or fees upon the same person, firm, or corporation.

Section 2. EFFECT UPON PREVIOUS ORDINANCES

This ordinance does not repeal or affect the force of any part of any ordinance previously passed where taxes, license fees, service charges, or any other fees levied under such prior ordinance have not been paid in full. So much and such parts of such prior ordinance which provide for the issuing and enforcing of execution for any tax, assessment, fee, or charge required by any such ordinance, and such parts which impose fines or penalties for the non-payment of the same, or for failure to take out a license, or failure to comply with any other provisions thereof, shall continue and remain in force and effect until such tax, assessment, fee, or charge shall be fully paid.

Section 3. SEVERABILITY

If any section, sub-section, sentence, clause, phrase, or portion of this ordinance shall be declared invalid or unconstitutional by any Court of competent jurisdiction, or if the provisions of any part of this ordinance as applied to any particular situation or set of circumstances shall be declared invalid or unconstitutional, such invalidity shall not be construed to affect the portion of this ordinance not so held to be invalid, or the application of this ordinance to other circumstances not so held to be invalid. It is hereby declared as the intent that this ordinance would have been adopted had such invalid portion not been included herein.

Section 4. REPEALER

All ordinances or parts of ordinances in conflict with this ordinance, and not preserved hereby, are hereby repealed. All parts of such ordinances not in conflict herewith shall remain in full force and effect.

Section 5. EFFECTIVE DATE OF THIS ORDINANCE

This ordinance shall take effect on January 1, 2015, upon its approval by the Mayor and Council of the City of Richmond Hill, and the provisions shall be in full force and effect on said date.

Adopted and approved on December 20, 2016.
